

# YOUR NEW E-BIKE

**Remunerator's Tax Free Solution to the daily commute**

## What is an e-bike?

E-bikes are electric powered bicycles. They can be ridden in the same manner and locations as a regular bike but with the benefit of no-sweat exercise and avoiding parking hassles.

## How it Works:

Remunerator's offering includes novating e-bikes as they can cost around \$3,000 - \$10,000 and more. You can enjoy all-inclusive maintenance on e-bikes, annual budgets for maintenance and repairs and tax benefits on the e-bike and operating costs
