

Third party authority form

Home loans and car loans

Use this form to nominate or remove a Third Party Authority (TPA) on your Macquarie Home Loan, Home Loan Offset Account, Car Loan or Novated Lease.

Please consider carefully who you appoint as a TPA on your accounts. Where a third party is granted access to your account, they will be able to access account information, including but not limited to your account details (such as BSB, account number and account name), and your transaction history. The TPA will not be able to modify any information or transact on your account. You may choose to provide the third party with authority to enter into payment arrangements or discuss financial assistance. It is important that you carefully consider the risks associated with providing access to your account(s) to a third party.

Please scan and email the completed form to clientservicesupport@macquarie.com
